## FC MAGNUM

### Roach Killer Bait Gel

### SPECIMEN LABEL

FOR USE IN COMMERCIAL, INDUSTRIAL AND RESIDENTIAL AREAS

- \* Kills roaches quickly
- \* See visible results overnight
- \* Long lasting control
- \* Contains Fipronil, which kills roaches by ingestion and contact. After foraging roaches either eat or contact the bait, they return to the harborage and kill other roaches.
- \* No vapor, fumes or odor
- \* For indoor and outdoor uses

#### ACTIVE INGREDIENT:

Fipronil\*: [5-Amino-1-(2, 6-dichloro-4-trifluoromethyl) phenyl)-4-(1, R, S)-(trifluoromethyl) sulfinyl)-1H-pyrazole-3-carbonitrile] .....0.05%

OTHER INGREDIENTS: .....99.95%

Total: .....100.00%

EPA Reg. No. 432-1460

EPA Est. No. 071106-GA-001

\*CAS NO. 120068-37-3

This product and its use may be protected by one or more patents, including U.S. Patent No. 5,232,940.

**STOP - Read the label before use.  
Keep out of reach of children.**

## CAUTION

Product may stain textiles and clothing.

#### FIRST AID

<b>IF ON SKIN OR CLOTHING:</b>	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
<b>IF IN EYES:</b>	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>

Have the product container or label with you when calling a poison center or doctor or going for treatment. You may also contact 1-800-334-7577 for emergency medical treatment information.

#### PRECAUTIONARY STATEMENTS:

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry area out of reach of children.

**DISPOSAL:** If Empty: Do not reuse container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

If you have questions regarding the use of this product, please call 1-800-331-2867.

**PHYSICAL AND CHEMICAL HAZARDS:** Do not use this product in or on electrical equipment where a possibility of shock hazard exists.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use MAXFORCE<sup>®</sup> FC MAGNUM Roach Killer Bait Gel as a spot or crack and crevice treatment for the indoor and outdoor (adjacent to homes & structures) control of cockroaches in residential areas and the non-food/non-feed areas of institutional, warehousing and commercial establishments, including warehouses, restaurants, food processing plants, supermarkets, hospitals, nursing homes, motels, hotels, apartment buildings, bakeries, beverage plants, breweries, bottling facilities, candy plants, canneries, cereal processing and manufacturing plants, dairies and dairy product processing plants, frozen food plants, schools, laboratories, computer facilities, sewers, aircraft, buses, boats/ships, trains, homes, houses, industrial buildings, office buildings, kennels, kitchens, manufacturing facilities, spice plants, stores, wineries and similar structures, mausoleums, meat processing and packaging plants, meat and vegetable canneries, pet shops and zoos. Non-food/non-feed areas include bedrooms, living rooms, bathrooms, closets, media rooms, garbage rooms, lavatories, entries, and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). This product may also be used in food/feed areas of food/feed handling establishments as outlined below.

May stain textiles, fabrics and or porous surfaces.

#### USE RESTRICTIONS

Do not treat food preparation surfaces. Keep gel away from foods and food contact surfaces. Do not apply bait gel to areas which have been recently sprayed with insecticide, and do not spray insecticide over gel as it may cause the bait to become repellent.

**USE ONLY IN AREAS NOT EASILY ACCESSIBLE TO CHILDREN AND PETS.** In pet shops and zoos place bait out of reach of pets and zoo animals.

#### GENERAL DIRECTIONS

##### INDOOR USE:

For roach gel: Application rate is dependent on level of infestation and species to be controlled. See Application Rate Table. Inject bait as a bead into cracks and crevices or apply as a spot. The lower application rate should be used for low to moderate infestations or re-treatments, and the higher rate for more severe infestations or where the population occurs in inaccessible areas. Gel placements should be at or near harborages or aggregation areas, such as corners or cracks and crevices. Numerous smaller placements will provide faster control than fewer larger spots, especially for German cockroach control.
